Tulsa, OK 74117

PUBLIC NOTICE OF NETWORK CHANGE UNDER RULE 51.329(a)

May 24, 2024

Carrier: Verizon New York Inc., 140 West Street, New York, NY 10007

Contact: For additional information on these planned network changes, please contact:

Harvey Salzberg
Global Engineering and Operations
Verizon Wireline Network Operations
140 West Street, 5th Floor
New York, NY 10007
212-519-4852

Quadre Washington
Assoc Dir – Global Network Engineering and Operations
Verizon Wireline Network Operations West Main St., 2nd Floor
320 Saint Paul Pl.
Baltimore, MD 21202
410-736-4261

Implementation Date: On or after January 2, 2025

Planned Network Change(s) will occur at the following locations in New York:

Verizon Central Office	Address	CLLI
Glen Cove NY 5E Switch	14 Charles Street Glen Cove, NY 11542	GLCVNYGCDS0
Deerpark NY CS2k Switch	85 W. Second Street Deer Park, NY 11729	DRPKNYDPPS0

This notice may also be viewed at <http://www.verizon.com/about/terms-conditions/network-disclosures>

PLEASE NOTE:

- All references to the Glen Cove NY 5E switch are associated with CLLI code GLCVNYGCDS0 and will not be repeated throughout this notice.
- All references to the Deerpark NY CS2k switch are associated with CLLI code DRPKNYDPPS0 and will not be repeated throughout this notice.

Description of the Planned Network Change(s):

The Verizon Glen Cove NY 5E switch, located at 14 Charles Street, Glen Cove, NY 11542, will be retired and removed from the network after all traffic served by this switch is migrated to the Verizon Deerpark NY CS2k switch, located at 85 W. Second Street, Deer Park, NY 11729. All traffic to be migrated includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC/IXC), wireless, and paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):

Competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers will need to secure new trunk groups built to the Deerpark NY CS2k switch or have existing trunk groups to that switch augmented. Carriers that are code holders for access connectivity in the Glen Cove NY 5E switch will be required to reposition the codes to the Deerpark NY CS2k switch.

All ASRs for the Deerpark NY CS2k switch must be received no later than November 1, 2024, to provide sufficient time to migrate the traffic described above. These direct end office trunk (DEOT) interconnections will support traffic migration for the Glen Cove NY 5E switch prior to its eventual decommissioning. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Glen Cove NY 5E switch (**on or after January 2, 2025**). This will serve to guide interconnect re-routes of traffic for the six (6) native codes currently served by the Glen Cove NY 5E switch to reflect the Deerpark NY CS2k switch as the new home switch. All ASRs for the Deerpark NY CS2k switch must carry the project code of **GLCVNYGCDS0**.
