

Internet Dedicated Renewal Value Promotion

Subject to the conditions below, Customers renewing their Agreement for Verizon Access Optimized Services with Internet Dedicated Optimized Services will receive the applicable promotional monthly recurring charge (“MRC”) for Internet Dedicated Tiered Ethernet port(s) and Access circuit(s) shown below. No other Internet Dedicated and Access MRCs are included in this promotion.

Promotional MRC		
Speed	Internet Dedicated Tiered Port	Access Circuit
50 Mbps	\$96.77	\$900.00
100 Mbps	\$231.18	\$1,087.50
1 Gbps	\$496.77	\$1,282.50

Conditions

1. Promotion requires a minimum two year Service Commitment or Volume Commitment Period to be eligible.
2. Only Internet Dedicated Tiered Ethernet ports ordered with Access circuits located in the United States are eligible for this promotion. The following Access requirements apply:
 - a. An Ethernet Handoff and Platinum or Gold performance grade is required when MCI Legacy Company is the Access provider.
 - b. An Ethernet Handoff with Switched Ethernet Access technology and a Gold performance grade is required when non-MCI Legacy Company is the Access provider.
 - c. Not all MCI Legacy Company and non-MCI Legacy Company circuits are eligible for this promotion. Eligible circuits will be specified in the Contract provided to Customer.
3. Promotional benefits are applicable only to locations specifically referencing this promotion in the Agreement.
4. The promotional MRC will be applied before discounts, if applicable.
5. Orders may be expedited, but Customer will pay applicable expedite fees.
6. For Customers with Volume Commitments, only Internet Dedicated ports ordered within six months of adding this promotion to the Volume Commitment Period will be eligible.
