Set facial or fingerprint security options.

Learn more

The Help feature gives access to the user manual and useful information on how to use your device.

To open, from **Settings** tap **Help** ❓

- Make a call
- Send and receive texts
- Manage contacts
- Explore health & fitness
- Utilize accessibility settings

Performance

Bixby Routines

Create custom routines that change your phone settings based on your location or activity. For example, while driving you can create a routine to automatically read notifications aloud.

1. Drag the Status bar down to display the Notification panel.
2. Touch and drag ━ to access all Quick Settings options.
3. Tap Bixby Routines ✅. Then touch and hold to set up.

Wireless PowerShare

Wirelessly charge compatible devices right from your phone.

1. Drag the Status bar down to display the Notification panel.
2. Touch and drag ━ to access all Quick Settings options.
3. Tap Wireless PowerShare 🔵.
4. With the phone face down, place the device on the back of the phone to charge.

Works with Qi compatible Samsung devices (compatibility with non-Samsung Qi devices is not guaranteed); speed and power efficiency of charge may vary by device. Your battery must have a minimum charge of 30 percent.

Camera

BIXBY VISION
Identify objects and locations.

TOOLS PANEL
Swipe left or right to select effects.

CAMERA MODES
Swipe left or right to select a mode.

GALLERY
View photos.

CAPTURE
Capture images.

TOGGLE CAMERAS
Switch between the back and front cameras.

Create an AR Emoji
Turn your selfie into an emoji.

1. From the Home screen, tap Camera 📷 > AR Emoji > Create My Emoji.
2. Tap ⚪ to capture your photo and customize and save your emoji.

Personalize messages with an emoji

1. Tap Messages 💬 > New message 💬 > Enter message field.
2. Tap Stickers 🙂 to add a GIF or your very own emoji or sticker, and then tap Send ✈.

Recent apps

Enjoy the new full-screen view of recent apps.

Tap Recents ❙❙❙ to view a list of recently opened apps.

- Tap an app icon to view options.
- Swipe up to close.
- Swipe down to open.

Gestures

Customize the Home, Back and Recents keys or remove them and use gestures instead to increase screen space.

1. From Settings ⚙, tap Display ☀ > Navigation bar.
2. Tap one of the following Navigation types:
   - Navigation buttons (default)
   - Full screen gestures
   - Button order
   - Gesture hints (Displays only when full screen gestures is selected)

Additional information

Your wireless device and third-party services

Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this device or any non-Verizon Wireless applications, services and products, including any personal information you choose to use, submit or share with others. Specific third-party terms and conditions, terms of use and privacy policies apply. Please review carefully all applicable terms, conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing aid compatibility information

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer technologies that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Ask your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, ask your service provider or phone retailer.
